

A vertical diagram of a 16-bit register. The bits are represented by circles, some white and some grey. Bit 15 is highlighted in green. The bits are labeled on the right as follows: bit 15 (white), bit 14 (white), bit 13 (white), bit 12 (grey), bit 11 (grey), bit 10 (white), bit 9 (white), bit 8 (grey), bit 7 (grey), bit 6 (grey), bit 5 (white), bit 4 (white), bit 3 (white), bit 2 (white), bit 1 (white), bit 0 (black). The label 'Y' is next to bit 0.
